

COMPREHENSIVE EXTRACTION AND ALVEOLAR PRESERVATION WITH AUTOGENOUS BLOOD PRODUCTS LIVE PATIENT PROGRAM

Dear Doctor,

I hope this email finds you well. Below is a summary, which covers most questions regarding our Dental Implant International Live Patient Program.

PROGRAM OVERVIEW

This program is funded by ITC CARES, a 501(c)(3) tax-exempt nonprofit organization. All costs associated with participation in this program are tax deductible donations that are directly used to fund this program. This 5-day program is specifically designed to increase your knowledge and comfort level in simple and surgical exodontia (including impacted and other complicated extractions), atraumatic extractions for immediate alveolar bone preservation, use of autogenous blood products (L-PRF, I-PRF) and use of biological membranes.

UPON COMPLETION, YOU WILL BE ABLE TO:

- Provide diagnosis, prognosis and properly sequenced comprehensive treatment plans.
- Perform comprehensive examinations, collect clinical data, and document the patient's dental and medical condition.
- Exponentially improve your extraction skills
- Prevent and identify medical risk in your extraction patients
- Prevent and identify potential extraction complications
- Manage intra-operative complications
- Stop referring your extraction cases
- Obtain accurate consent for your extraction patient
- Have the knowledge you need to build a successful dental extraction practice
- Learn the update centrifugation protocols and the clinical indications when to utilize PRF effectively
- To immediately apply your learning experience into your own practice, and thus increase your overall production and better serve your patients with greater confidence.

WHY ITC SEMINARS?

- We teach only inside Universities and Dental Facilities.
- Our patients are guaranteed to be 100% restored.
- Our teaching ratio is 1:4 for optimum learning & dedication.

- ITC Programs meet CE requirements by the ADA, AGD, Dental Board of California, and Dental Board of Florida.
- We ensure scientific integrity and are free of commercial bias.

PACKAGE INCLUDES:

- Dedicated dental assistants
- Fully equipped dental stations
- Sterile setup and protocol
- Piezo Handpiece

- Five-star accommodation
- Air fare (round-trip from your city)
- Breakfast, lunch, dinner and daily entertainment
- 100% Participation
- 48 CE Credits

CLINICAL HANDS ON TRAINING

The following are the procedures you will perform in our Dental Implant Live Program:

- Incision and Flap Design
- Workshop on extraction instruments
- Workshop on extraction techniques
- Phlebotomy training with live demos to obtain blood products
- Use of centrifuges and preparation of blood products
- Indications, use of CBCT for dental extraction
- Perform related surgeries directly on live patients
- Suturing Techniques
- Local anesthesia techniques
- Simple exodontia techniques
- Surgical exodontia techniques
- Minimal invasive tooth extractions
- Socket preservation
- Bone grafting for alveolar preservation
- Growth factors (PRP/PRF/IPRF-sticky bone) preparation techniques

WHAT TO EXPECT ON THIS SEMINAR?

In order to maximize your learning experience, we limit the number of participants to 8 doctors per live patient program. Every morning before the program starts, we have a short lecture and a meeting with all the doctors to evaluate and review the treatment plan for the patients that you will be treating that day. In that moment, with the X-Rays in hand, we evaluate the case and decide the best treatment plan and approach for each patient.

FACULTY

You will have the advantage of being trained by a faculty that has overseen over 25,000 dental implant procedures (oral/maxillofacial surgeons and Doctors of Dental Surgery); they have been involved in dental humanitarian missions for more than 15 years. In this program you will be instructed by faculty from the US, Brazil and UK. Please click [HERE](#) to learn more about our Faculty.

SCHEDULE

The program is 5 full days in Santo Domingo, Dominican Republic (Monday, Tuesday, Wednesday, Thursday, Friday), but we require your presence on Sunday for an introductory meeting, welcome and orientation. The program will end and your return will be on Saturday.

PACKAGE COST

Please contact me for more information about the cost of this program and the different payment plans that we offer in order to help you cover the cost of this program. All costs associated with participation in this program are tax deductible.

WHAT WE WILL NEED FROM YOU:

- Picture of your Dental License
- Fill out a Registration Form
- Fill out our survey to determine your past experience, interests and goals.
- Bring your personal Loupes
- CV or Resume
