

FULL ARCH IMPLANT SURGERY WITH IMMEDIATE LOADING LIVE PATIENT PROGRAM

Dear Doctor,

I hope this email finds you well. Below is a summary, which covers most questions regarding our Full Arch Implant Surgery and Immediate Loading International Live Patient Program.

PROGRAM OVERVIEW

This program is specifically designed to teach dental practitioners how to successfully approach multiple full arch implant cases. During this program, you will perform **Full Arch/Full Mouth** dental implant cases and perform the step-by-step conversion of the full lower and upper denture into an immediate load, all under our faculty supervision. This program is funded by ITC CARES, a 501(c)(3) tax-exempt nonprofit organization. All costs associated with participation in this program are tax deductible donations that are directly used to fund this program.

UPON COMPLETION, YOU WILL BE ABLE TO:

- Apply the recommended, evidence-based guidelines for a safe and appropriate full arch implant surgery with immediate loading.
- Properly place the implants in the Full Arch configuration.
- Perform the Step-by-step conversion of the full upper and lower denture into an immediate load
- Take open tray and closed tray impressions for the Full Arch prosthetic solution.
- Understand the bite registration.
- Understand Prostheses design.
- Understand the biomechanics for the Full Arch procedure.
- Understand the full arch dental implant occlusion.
- Know how to fabricate provisional and permanent prosthetic options.
- Know how to deal with possible full arch implant complications.
- Understand hygiene requirement and protocol for long-term success.
- Provide diagnosis, prognosis and properly sequenced comprehensive treatment plans.
- Perform comprehensive examinations, collect clinical data, and document the patient's dental and medical condition.

PACKAGE INCLUDES:

- Unlimited implant supply
- Dedicated dental assistants
- Fully equipped dental stations
- Sterile setup and protocol
- Piezo Handpiece
- Bone grafting material
- Surgical instruments
- Surgical Kits
- Digital X-Rays
- 100% Participation
- 40 CE Credits

SURGERIES PROMOTED

The following are the procedures you will perform in our Full Arch Implant Surgery with Immediate Loading Live Program:

- Incision and Flap Design
- Full Arch/Full Mouth dental implants
- Tilted Implant Placement
- Step by step conversion of the full upper and lower denture into an immediate load
- Bone Grafting Techniques
- Growth factors (PRP/PRF/IPRF-sticky bone) preparation techniques

WHAT TO EXPECT ON THIS SEMINAR?

You will encounter various kinds of dental implant cases and surgical situations. The number of procedures you will perform will depend on your skills and past surgical experience as evaluated by our instructors via your admissions application and your performance during the Live Patient Program. Nevertheless, Doctors are expected to treat 2 patients per day.

Every morning before the program starts, we have a short lecture and a meeting with all the doctors to evaluate and review the treatment plan for the patients that you will be treating that day. In that moment, with the X-Rays in hand, we evaluate the case and decide the best treatment plan and approach for each patient.

FACULTY

You will have the advantage of being trained by oral/maxillofacial surgeons and Implant Specialist. Our faculty has been involved in dental humanitarian missions, academic exchanges, and specialized in the field of oral implantology for more than 15 years. Please click [HERE](#) to learn more about our Faculty.

SCHEDULE

The program is 4 full days. The first day will consist of Lectures and hands on workshops on suturing techniques and dental implant placement protocol and drill sequencing. The following 3 days are dedicated to Live Patient Surgery. We require that you arrive to the course destination one day before the start of the course.

HOW TO APPLY:

- Complete the Admissions Application to determine your eligibility in the Live Patient Program (please click on the following [Admissions Application](#))
- Fill out the CE Course Registration Form upon offer of admission.

Please do not hesitate to contact me. I will be glad to answer all your questions.

I look forward to speaking with you.

Best Regards,

Alex Lopez
